SPECIALISED GROUP BASED SUPPORT HELD PHYSICALLY IN JOHANNESBURG

GROUPS (only 5 -7 per group)

Group 1 – Doctorate students

Group 2 – Master's Students

Group 3 – MBA students involved with research

Method

The groups meet once a month to discuss study progress and present work for review. Professors and fellow students will provide inputs and support. Various lecturers will be included.

Advantage

Have the support of a peer group for networking, guidance and address challenges.

Pricing

This will be based on one fee for the year

Additional Support Services

1.	Online surveys
2.	Transcriptions
3.	Data Analyses
4.	Questionnaire design
5.	Conduct research for companies
6.	Editing Services
